Are you eligible?

To be eligible for the **Outreach East Project** you need to be 19 or over **AND**

In one of the following groups:

- + Unemployed for more than 6 months continuously if you are aged 19 to 24 **or**
- + Unemployed for more than 12 months continuously if you are aged 25 or over **or**
- + Economically inactive, which includes looking after family and/or home, studying part-time or having retired

I was very pleased that Harmony House made this opportunity available to me as I was wondering how I would get back into work after such a long time at home.

The kitchen staff were flexible when my son's afternoon classes changed days, working with me to make it possible for me to continue doing all my shifts.

I aim to get a job as a school dinner lady and so my time here has improved my confidence and experience of working with both food and children.
